Subject: Request for additional CIP resources
Importance: High

Good morning O Division,

On behalf of acting Protective Operations officer, Supt. Mitch Monette, we have been instructed to request further assistance of Critical Incident Program resources. We need a total of 3 Critical Incident Commanders, 3 scribes and 6 negotiators so if you could inform of numbers available that would be very much appreciated. I am assuming that this will fall under the previously submitted 6505 requests but if a new request is required please advise and I will certainly obtain same.

The reason for the extra ask on this is that following the information that the truckers are stocking up with supplies we expect this may last longer than anticipated so we want to ensure we are able to relieve members adequately over the duration of the event.

Thank you for your assistance again.

Karen
